

AVAILABILITY OF HEALTH CARE PRICES

Prices for our health care services are available upon request. You may request information about pricing at registration points in the hospital and the hospital-based practices. Additional information on health care costs is available from the state of Maine at <http://www.comparemaine.org/>

Additional physicians or other medical professional, such as radiologists or pathologists, may be involved in your care while you are a patient at this hospital. These professionals will bill you separately for their services.
